LIBRARY RULES.

RULE 1. A library card entitling the holder to draw books subject to such rules and other provisions relative to the library as may from time to time be established by the Town of Greenfield or the directors, and subject to cancellation and recall as provided by such rules or provisions, shall be signed and issued by the librarian, subject to the order of the directors, to any permanent resident of Greenfield over twelve years of age applying therefor and furnishing such proof of residence as may be required, and depositing in exchange for such card a memorandum signed by the applicant acknowledging the receipt of the card, stating its number, the age of the applicant if a minor, and the applicant's street and number or other description of residence, in which memorandum the applicant shall promise in consideration of the privileges given the holder of such card, and notwithstanding any termination of such privileges, to conform to the rules of the library in its use and to be responsible for any books drawn upon such card or upon any card given in renewal thereof or substitution therefor, and to pay all fines, damages and charges accruing from the loss, detention or injury of such books, as provided for by the rules of the library, and to return such card to the librarian as soon as it shall become void under the said rules. *Provided*, that no card shall be issued to a minor unless the parent or guardian of such minor, or some other responsible person shall, by an additional memorandum, promise, for the above named consideration, to be responsible for all books taken from the library on presentation of the card of such minor, and to pay, on demand of the librarian, all fines and charges accruing against such minor under the rules of the library now or hereafter established, demand for loss or damage to be made within one month from the time when it shall be ascertained; or unless such minor shall furnish other security satisfactory to the directors.

Any demand upon a signer of either of the above named memoranda may be made by the librarian verbally or by mailing postpaid a written statement of the demand directed to such signer at Greenfield, Mass.

Each library card issued shall state the name of the holder and be duly numbered and charged by the librarian.

If a card shall be lost, a substitute card, having the same number, but endorsed "duplicate," may be issued therefor by the librarian after fifteen days' notice.

RULE 2. Every lost card for which a substitute has been issued, every card the holder of which shall become a non-resident of Greenfield, and every card which the trustees shall by vote declare void on account of non-payment of any amount due under the rules, or on account of violation of the rules by the holder, or for any other reason deemed sufficient by the directors, shall be considered void and cancelled, and the librarian shall take up and retain such card whenever presented. The librarian may suspend the issue of books on any card until the next meeting of the directors, and shall issue no book on the account of any person in arrears.

RULE 3. No book shall be delivered except on presentation of a library card and a receipt (for which blanks will be furnished by the librarian) designating the date, the number of the card and the title, volume (if of a set) and number of the book taken, and signed by the person to whom the book is delivered, or by the holder of the card, which receipt shall charge the card-holder with the book and all fines, damages and cost of replacement (including cost of replacement of the set to which it belongs, if necessary) which may arise under the rules from the loss, detention or injury of the book. One book only shall stand charged upon the account of one card. Any book, except the current magazines and new books which have been called for by other parties while out, may be once renewed as provided on the library label pasted inside the cover, but only once until it shall have remained over one library day in the library.

RULE 4. Every book shall be returned within fourteen days after being taken and within such shorter time as may be designated in the regulation pasted inside its cover and a fine of two cents a day shall be imposed upon the card-holder to whom it stands charged, for such time as it shall be longer detained. Such person shall, if required, also account for and pay for as lost any book taken upon his or her card, when such book shall be one month overdue, or when previously shown to be lost, together with the fines accruing on the same before payment, but not exceeding in all the fines accruing in one month. Card-holders shall pay for all damages done to books drawn on their cards, and replace injured books, if required by the librarian, subject to appeal to the directors. The price to be paid for any book lost or required to be replaced shall be the cost of replacing the same, and if it cannot be replaced, then the full value of the book and of the set (if any) to which it may belong. All books shall be promptly returned when called in by order of the directors by notice published in one of the Greenfield papers.

RULE 5. No person shall enter the alcoves or remove a book from the shelves without permission of the librarian or a director.

RULE 6. During library hours gentlemen will remain uncovered while in the library room, and all persons therein will demean themselves properly and avoid loud or unnecessary conversation.

RULE 7. No person shall, without due authority from the directors or librarian, write upon, injure, deface, tear or destroy any book, and the librarian shall report any person, maliciously and without cause violating this rule, to the directors, for prosecution, under Sec. 79 Ch. 203, of the Public Statutes.

RULE 8. The library shall be open during the following hours; viz.: Every afternoon from 3 to 9 p. m.; Sundays from 2 to 6 p. m.

RULE 9. These rules may be amended by the directors, subject to existing provisions established by the town of Greenfield.
